

## Blakeley Profiles LLP sprayed roofline goods

### 10 YEAR GUARANTEE

Blakeley Profiles guarantees the following properties of our coating for PVCu. This guarantee is effective from the date of application.

#### **Adhesion**

The paint we use is guaranteed to adhere to virgin PVCu and polyester powder coating for 10 years provided that the coating has been applied by an approved applicator. The substrate must have been cleaned and prepared as specified and the paint applied in accordance with the manufacturer's procedure at the time of processing the contract.

#### **Weather Resistance/Colour Fastness**

The weathering properties of the paint applied by Blakeley Profiles LLP correspond with Grey Scale 3 or greater over a period of 5 years when measured by reference to EN20105

This guarantee is subject to the following conditions:

1. That the paint applied by Blakeley Profiles LLP is applied to a virgin PVCu or polyester powder coated substrate.
2. That the paint applied by Blakeley Profiles LLP is cleaned when soiled or at intervals of not greater than three months, commencing at the date of installation.
3. That the paint applied by Blakeley Profiles LLP coating is cleaned using either cold or warm tap water containing a mild detergent, applied by soft cloth or brush. Nothing harsher than a soft bristle brush should be used.
4. Full documented and corroborative records of cleaning must be kept for the period of the guarantee

#### **Exclusions**

The following are excluded from the guarantee:

1. Substrates that are not virgin PVCu or polyester powder coating unless approved, in writing, by Blakeley Profiles LLP and substrates that are defective.
2. Damage caused by mechanical abrasion.
3. Damage caused by solvents and chemicals, including chemical damage caused by pollution.
4. Touch up materials and the areas coated by them.

### **Provisions of the Guarantee**

In the case of the paint applied by Blakeley Profiles LLP coating being found to be defective, Blakeley Profiles LLP liability shall be limited to rectification work deemed necessary. This work will only be carried out by organisations appointed by Blakeley Profiles LLP. No claims for consequential losses will be accepted.

Distortion or damage to profiles and panels, caused by heat absorption when the colour is changed, is not the responsibility of the paint manufacturer or Blakeley Profiles LLP.

This guarantee shall be valid only where the product, to which the paint is applied, is installed in premises situated in the United Kingdom.

The guarantee is given exclusively to Blakeley Profiles LLP's customer and is not transferable and may not be assigned.

This guarantee is subject only to the jurisdiction of English courts acting under English law. Statutory rights of the customer shall not be affected by this guarantee.

The contents of this guarantee shall override any condition in any contract made between Blakeley Profiles LLP and its customer so that the conditions, provisions and exclusions of the guarantee shall prevail.
